Language V2	Literacy				
Language to Reading	Literacy Advanced				
Reading Readiness	Reading 1	Reading 2	Reading 3	Reading 4	Reading 5
Reading Assistant					

OFFSITE IMPLEMENTATION (50 or 90 minute protocol):

First 8 weeks of participation

\$2025 Includes: LICENSE (\$757.75), daily monitoring of progress, a one hour start up conference, two subsequent one hour conferences following week 1 and week 2. The conferences are for interpretation of progress charts, problem solving compliance issues and/or program completion decisions with the SLP who is supervising your child, and a weekly emailed report of progress.

Beginning after completion of Week 3, 30 minutes weekly of conferencing time will be scheduled.

Continued participation in FFW after 8 weeks:

\$450/month (paid in advance) OR \$150/week for up to 10 additional months (Refunds are available if the program is completed mid-month.)

Includes: daily monitoring of progress, up to 30 minutes weekly of conferencing time for interpretation of progress charts, problem solving compliance issues and/or program completion decisions with the SLP who is supervising your child, and a weekly emailed report of progress

ONSITE IMPLEMENTATION

Available by request. Please call the office for pricing options.

READING ASSISTANT ONLY

Scientific Learning Reading Assistant™ software can help improve reading fluency and comprehension by acting as a personal, interactive reading tutor to give learners the practice and support they need to improve their reading, amplifying the teacher's instruction.

This program is designed to give structured reading practice.

\$400 for first 2 months

Includes: LICENSE (\$175), three 30-minute conferences; a startup conference and/or demonstration with the participant, two additional 30 minute conferences, and a weekly emailed report of progress.

\$50/month for up to 10 additional months

Includes: Monthly remote monitoring of progress and weekly emailed reports. Conferences will be scheduled by request and billed at \$75 per 30 minutes.
